

Nordic Child and Adolescent Psychiatric (NordCAP) Research Meeting

September, 16-17, 2009

Aalborg Psychiatric Hospital (DK)
Forskningenshus (Aalborg Sygehus Syd)

Invitation and Second Call

We are very pleased to announce another NordCAP meeting after a pause of some years. All senior and junior members of the Scandinavian academic Child and Adolescent Psychiatry departments are cordially invited for a two-days meeting in Aalborg, North Denmark.

The conference will provide opportunities to learn about a main theme, to exchange information of ongoing research projects, and to develop ideas about further trans-national research networks. The meeting will be organized around several topics.

- The main theme of the meeting which will be: *Treatment research: from planning to evaluation*. Main speakers will be Peter Jensen (New York) and Eric Taylor (London).
- Overviews of ongoing research in the various Scandinavian countries will be provided by one of the senior representatives of each country in the planning group.
- Commented poster sessions with presentations from each country will provide an overview of ongoing research in the academic CAP departments.
- Discussion groups will foster the establishment of potential trans-national research networks.

Kindly, use the enclosed template for posters that you may wish to present at the meeting. **The deadline for poster submissions is June 30 2009.**
